RE: Herbert Franklin Garza

CONTINUATION:

Material Witness 1:

Maria de Los Angeles GALICIA-Aguilar claimed her mother in law made her smuggling arrangements and was unsure how much she paid. GALICIA stated she crossed the Rio Grande River on a raft with a group of people and was instructed to run up to the street and someone would be coming for her. Once GALICIA reached the street, she was met by a man wearing a red shirt, who instructed her to follow him and led her to a small house. The man then instructed GALICIA to get inside and hide.

GALICIA identified Herbert Franklin GARZA in a photo lineup as person who met her at the street and led her to the apartment complex where she was apprehended.

Material Witness 2:

Juan Carlos FLORIAN-Perez claimed he made his smuggling arrangements with an unknown smuggler and has already paid 2,000 USD of the 6,000 USD he agreed to pay. FLORIAN stated he was instructed by the foot guide to run up to the street and a man would be waiting for him. FLORIAN claimed the foot guide gave a description of the man and what he was wearing. Once FLORIAN reached the street, he saw a man matching the description given to him by the foot guide. FLORIAN stated the man instructed the group to cross the street two at a time, so they would look like normal people crossing the street. Once across the street, the man instructed the group to go inside a house but before the group could make it inside, Border Patrol arrived.

FLORIAN identified Herbert Franklin GARZA in a photo lineup as the person who met the group at the street and told him to go into a house.
